Dear Friends,

Beginnings is celebrating 25 years of serving with a special gala and silent auction fundraising evening on March 5, 2010 at Carmen's Banquet Centre in Hamilton. Although Beginnings was started in Hamilton, we have responded to the needs in other communities through our satellite offices in Woodstock, Cobourg, and Guelph. We will all come together at the gala evening to celebrate God's goodness with those whose lives have been touched by Beginnings. All proceeds will benefit Beginnings and help those who need our services and support. Please join us.

Sincerely,

Kerry Vandergrift
Executive Director
